Recrafting® is a registered trademark of Allen Edmonds Corporation. **Our Recrafting process is unique and proprietary and can only be offered through our own manufacturing location. Any other offer or claim to do so is not authorized by our company.** Recrafting returns shoes to original manufacturing dimensions, Recrafting is not recommended for footwear smaller than the owner's current size. Due to the nature of Recrafting, damage may occur that was not otherwise preventable. Allen Edmonds is not responsible for damages that occur during Recrafting. Welled construction leather insoles and upper leather cannot be replaced. Prior work on Allen Edmonds shoes by other cobblers may prevent us from recrafting a pair of shoes. **Due to construction methods, some styles can only be recrafted with specific soles or may not be eligible for recrafting. We may not be able to accept footwear with cut, torn, cracked or scuffed uppers or bad linings. If accepted, cuts and cracks will still be in shoes. Sueded and nubuck shoes will be cleaned rather than refinished. Only Allen Edmonds shoes can be recrafted.**
